

Devotional Magazines Accepting Unsolicited Submissions

I've shared the following links during my workshop, *Writing Devotionals: From Idea to Submission*. Writers are encouraged to check in with the editors to receive the current guidelines. Posting these links on my website does not mean that I promote them, guarantee publication, or offer writers recommendations. These magazines informed me that they are open to submissions as of June 2018. I encourage writers to read each magazine's statement of faith prior to submission.
