INSPIRED BY THE PICTURE BOOK
WHAT COLOR IS GOD'S LOVE? BY XOCHITL DIXON

A Note from the Author

Hello, Friend!

I prayed for you when I wrote these Breath Prayers. I asked God to help you feel His presence as you get to know Him better through the colorful world He created.

On each card, I ask you to inhale—breathe in a Bible verse, to think about, understand, then take in what God is saying. I then ask you to exhale—breathe out a prayer and praise God.

Before you begin, please take a moment and thank God for giving you the breath of life.

"Then the LORD God took dust from the ground and made a man. He breathed the breath of life into the man's nose, and the man became a living thing."

—Genesis 2:7

These Breath Prayers are starting points. When you pray, just talk to God like you would talk to someone who loves you very much. God wants to hear about your day. He welcomes your questions. He understands when you need help. He cares about you. God enjoys when you tell Him how much you appreciate Him and the colorful world He created. But most of all, He wants you to spend time with Him. He wants to speak to You through the Bible. He wants you to speak to Him through prayer. God doesn't need you to use fancy words or big sentences. He just wants to hear from you!

I am praying that God will use these Breath Prayer cards, the Bible, my book, *What Color is God's Love?*, and the colors you see all around you to help you celebrate who He is and all He's done for you. I pray you'll learn more about God and how much He loves you, as you serve Him and others every day. I look forward to growing with you and hearing from you. So does Callie!
